New York, June 17.—The stock market opened firm to strong, the first prices showing advances of from 1/4 to 3/8 per cent. over yesterday's close. The market, at 11 o'clock, is very dull and heavy, at slight fractions under the opening.

The stock market was dull and heavy from noon until about 2 p.m., when it became steady, and so continued until the close.

LATER.—To-day was the dulllest day at the stock exchange for many weeks. Fluctuations in most stocks being confined within a range of small fractions, and with the exception of a little buying by London, trading was purely local and professional. The result of to-day's business is that prices are irregularly changed, with declines in a small majority, though the differences are for insignificant fractions only.

Chicago Produce Market.

CHICAGO, June 17.

There were no new or sensational developments in affairs of the bursted wheat clique to-day, and none are expected. Ker-haw has got no more funds, and will not get any more. The whole affair has now become so entangled between the Fidelity Bank of Cincinnati and the American Exchange National Bank, that whatever funds should come here would probably be swallowed up without doing anybody in the trade much good. The affairs of O. J. Ker-haw & Co. are so desperate that Eggleston's special partner, whose liability as a mineral partner is claimed, is putting his property out of his hands, and attachments and injunctions will probably be gotten against him to-day. The cash wheat will not come on the market, so the panic of prices is over. Armour sent to all banks last night offering to relieve them then of whatever cash wheat they held. They all returned the answer that they had no cash wheat for sale, and did not expect to have any. Only one small lot has been sold so far, and that was gobbled up on the market. The wheat market opened steady at 73 1/2 for July. Brokers in the pit are careful to pick out the men with whom they do business, and pay 1/4 more to get the names of men and strong houses. From 73 1/2 for July, wheat went to 73.
 There was little indication of any excitement in the markets as the session advanced. Wheat and corn are held in about the same positions as on yesterday. The closing quotations were:

Wheat—cash, 70 1/2; July, 72 1/2; August, 74 1/2.
 Corn—cash, 36; July, 37 1-16; August, 38 1/2.
 Oats—cash, 25 1/2; July, 26 1/2; August, 28 1/2.

The Coffee Market.

New York, June 17.—The coffee market opened excited at 190 points, or nearly 2 cents per pound below the close of yesterday on all months. It is reported that a large house is in trouble and will probably succumb. July, 16 25 bid; August, 16.70; September, 16.19; October, 17.00; November, 17.05.

New York Wheat Market.

New York, June 17.—The wheat market opened less active, but generally steady, at prices showing no decided change.

Liverpool Grain Trade.

LIVERPOOL, June 17.

Flour in poor demand; firm, 9s. 11d. Wheat—Poor demand; new No. 2, winter, easy, 7s. 1d.; new No. 2, spring, easy, 7s. 1d.

London Wool.

LONDON, June 17.—There was a lessened attendance at the wool sales to-day, and competition was weaker. Prices were maintained. Following are the sales in detail:

Victoria—Sales, 2,800 bales; scoured, 1s 2 1/2d @ 3s 2 1/2; scoured locks and pieces, 1 1/2d @ 1s 9d; greasy, 8d @ 1s 3d; greasy locks and pieces, 6 1/2d @ 7 1/2d.

New South Wales—Sales, 2,300 bales; scoured, 1s 3d @ 1s 5d; scoured locks and pieces, 1 1/2d @ 1s 3 1/2d; greasy, 8 1/2d @ 1 1/2d; greasy locks and pieces, 7d @ 8d.

Queensland—Sales, 500 bales; greasy, 8 1/2d @ 9d; greasy locks and pieces, 7d @ 8d.

South Australia—Sales, 1,000 bales; greasy, 7d @ 8 1/2d.

Tasmania—Sales, 900 bales; scoured, 1s 2d @ 1s 5d; scoured locks and pieces, 1 1/2d @ 1s 2 1/2d; greasy, 8 1/2d @ 1s 1/2d; greasy locks and pieces, 6 1/2d @ 7 1/2d.

New Zealand—Sales, 9,700 bales; scoured, 1s 3d @ 1s 7d; scoured locks and pieces, 1 1/2d @ 1s 4d; greasy, 8d @ 1s; greasy locks and pieces, 7 1/2d @ 10 1/2d.

Natal—Sales, 100 bales; greasy, 7 1/2d @ 8d.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver and Kidneys or Blood. Only a half dollar a bottle at Z. C. M. L. Drug Store.
